

Complete P.E. Membership

What are the benefits of our school becoming a Complete P.E. member?

Non-member schools only have access to the units of work. Member schools are able to use the inbuilt functionalities within Complete P.E. to support teachers planning, delivery and assessment of Primary Physical Education and School Sport. Member schools will be able to:

- View our **interactive videos** linked to the success criteria
- Use our **differentiation cards** to further challenge and support learning
- Use our Physical Education, Physical Activity and Swimming **Assessment tools**
- Access the **subject leader area** which includes vital resources and documents to enable a subject leader to perform their role with ease

In addition to being able to use the functionalities highlighted above, as part of your annual membership schools will:

- Receive **administration support** and **software maintenance**
Including initial teacher set up, support when uploading pupils and general administration support.
- Access **new units** and **updated lesson content**
Teachers will have access to new units of work for Foundation, KS1 and KS2.
- Have use of any **upgrades** we make to the resource
Including upgrades to the assessment tool, video content and functionalities of the resource.
- Ongoing **PE Subject Leader Support**
Guidance through the subject leader area that provides subject leaders with the resources and documents to provide a broad and high quality PE curriculum for all primary school pupils.
